

Cross Over Steps

Visit us online at www.siouxsecondarycontainment.com

Our complete line of skid resistant cross over steps offer long lasting durability and safe access to and from containment areas. Select from six cross over step sizes and four extensions that work easily with typical and custom containment applications. Riser kits are available to add one step to each cross over.

- Available in 3, 4, 5, 6, 8 & 9 step configurations.
- **Clears containment walls** from 12" to 57" in height.
- Frames are laser cut from **14 gauge steel**.
- Assembled with 5/16" & 1/2" hardware.
- Can **hold 1,000 pounds**.
- Perfect for any size facility.
- Provides **quick & easy** access.
- Step Extensions are available in four sizes: 2 1/2 feet, 3 1/2 feet, 5 feet, and 10 feet.
